After more than 100 of our supporters suggested names, and more than 250 individuals **voted** on the name they liked best, the Food Bank For New York City is excited to announce our blog's new name — Bank on It.

Thank you to everyone who suggested names and helped raise awareness for the Food Bank by voting and asking others to vote!

Thanks to supporters like you, the 4 million New Yorkers who struggle to afford food for themselves and their families can "bank on" **food assistance, financial services, education and nutrition programs** and more from the Food Bank.
