Always ready to help raise awareness for the 4 million New Yorkers who struggle to afford food, *amNewYork* has been a Food Bank partner for nearly seven years. Just in the past six months, *amNewYork* turned their masthead orange as part of our **NYC Goes Orange** campaign and highlighted the Food Bank as their favorite charity on their **Facebook fan page**.

And today they helped us with yet another shout out – helping to raise awareness for the Food Bank’s blog on **Urba Urbanite**, one of their many blogs focusing on NYC news, culture and more.

Whether your NYC passion is food, theater, music, politics or pop culture, *amNewYork* is a great place to stop for city news – and a great ally in the fight to end hunger.
